Abstract

Praise be to God, Ahmed and liked and ask forgiveness, We seek refuge with Allah from the evils of ourselves and our evils, from Yehedoh God is misleading him, and not mislead Hadi him, and I testify that there is no god but Allah alone is not a partner, and I testify that Muhammad Abduh, and His Messenger, may God , His family and peace and, following:

There is no doubt that no doubt have been exhausted and determination and Maakdt wills best in the most useful application of forensic science and embark on what follows the first generation of advances this nation of inherited religious schools and memorizes the investigation ..

However, although for this greatest of Science and useful: Science (jurisprudence), as it is aware of Staff in charge of this debt, with which it knows Halal and Haram, and its stand on something of this rule of Sharia and some of the secrets of its legislation ..

We have enjoyed this art has a large share of attention this nation's predecessor, scholars and established a school and classified by the lengthy works and travel systems, prose, and such systems system Abi Abdullah bin Mohammad bin Abdalkoi Badran Conclave God's mercy, which was dubbed (holding Lafraid treasure and benefits), The mothers, one of the systems in the denomination, where systems of jurisprudence where Imam Ahmed on what is stated in the book of convincing before Ibn Qudaamah God's mercy, has the mark Sheikh Abdulrahman bin Nasser Al-Saadi explained God's mercy in a book he called (to facilitate Karim Wahid to explain Lafraid treasure and hold interest), explained a unique way, but this explanation is still valuable manuscripts, which requires investigators to engulf him by the utility.

Because of graduation requirements at the Higher Institute for the Elimination of progress supplementary examination, he wanted to be at the stage of research supplementary Masters is to achieve part of the book, one of the brightest beginning of the door until the end of the book of faith, and includes:

1. brightest door .. That face in the first tableau No. (27) until mid-face in the first tableau No. (35).
2. fishing book .. This mid-face one of the tableau No. (35) until mid-face in the second tableau No. (46).
3. book of faith ... This mid-face from the second tableau No. (46) until mid-face in the first tableau No. (79).

* * *

Research objectives:

1. Service of Islamic jurisprudence.
2. Library enrich jurisprudence useful and beneficial from such explanations value
3. Highlight the efforts of former scientists, working to get the background of scientific heritage.
4. Learn about some of the views and choices, Sheikh Abdul Rahman bin Nasser bin Sadi
 - God's mercy - in this investigation.

The importance of this issue and the reasons for his choice:

1. This manuscript is inherited by a shred swimsuits - God's mercy - A very useful and worthy of care and attention of students of science and scientists ..
2. The author - God's mercy - make it a great effort and explaining the system are the most important systems in the doctrine Hambali.
3. As learned, this system has never explained to the one mentioned was the son of Badran at the entrance to the doctrine of Imam Ahmed, and also mentioned Sheikh Bakr Abu Zeid in the entrance to the detailed view of Imam Ahmed bin Hanbal; did not mention it explained ()
4. Sheikh adoption of systems to explain this to mothers wrote jurisprudence where Hambali Sheikh gathering in this commentary between convincing and equity.
5. Stand as far as possible on some benefits and Lafraid and views between Sheikh jumped folds this explanation.

Plan Inquiry:

And pave the eight demands:

First requirement: Brief author.

Second requirement: to prove the proportion of the book to the author.

Third requirement: the definition of a summary of the book.

Fourth requirement: described the manuscript, and the statement of places and quality.

V requirement: a copyright in the book.

VI requirement: the confiscation of the book.

Demand VII: fortuitous book.

Demand VIII: Notes on the book.

IX requirement: the definition systems, and author, described the manuscript, the statement places and quality.

Systematic investigation as follows:

First: Directed text book at the earliest image developed by the author, by using the following steps:

1. The only version originally chose a version "A" by the author's handwriting God's mercy.
2. This version was adopted on the Set originally, and keep on reading, but if it is found that there was no obvious mistake and correct him speak, make the brackets so [,] hard to be rectified guided sources adopted by the author-authored, referred to in the margin, and proved what The version of the margin as well.
3. What has proved to fall from the letters or words of origin in the steel brackets so [,] in the margin and pointed out that strengthens sources and references.
4. Draw a drawing book talk, without reference to this in the margin.
5. Ajman is neglected author of the words, with no reference to that in the margin, but disagreed on whether the Alaajam.
6. Adjust as needed to control the terms of copyright.
7. What might have been correct errors in the systems installed in the original copy of the author (a), with a copy (b) and (c), and Abyan in the footnote.

Second: Link to confiscate the book, which benefited directly benefiting copyright.

Third: do I edit closer and consensus mentioned by the author, with a return of the original sources.

Fourth: attribute novels conveyed by the author about him from sources considered.

Fifth: to warn that Nodal errors contained in the book.

Sixth: Nepal into verses of the fence, and refer to the interpretation of that verse necessitated here.

Seventh: Get out conversations contained and caused it were not in the correct or one, was the correct one or handbag then the dealer or one of them.

Eighth: Get out the effects contained in the book.

Ninth: attribute verses of poetry to the writer.

Tenth: dealer Proverbs, with a view of such.

Eleventh: Explain the vocabulary of alien language.

Twelfth: Explain vocabulary jurisprudence, and fundamentalism, and modern alien.

Thirteenth: Learn to information unsung, and by making short translation, containing the name of science, and his mother, and Doctrine, and some clerks, and death.

Fourteenth: Learn communities, the difference, and doctrines.

Fifteenth: Learn cities and places, and countries mentioned in the book.

Sixteenth: I know the books mentioned in the book, printed and manuscript Abyan.

Seventeenth: warn the linguistic mistakes, grammatical, if any.

Eighteenth: A byan in footnote choices copyright jurisprudence, which was included in the other clerks.

Nineteenth: Fasten topics book to each other.

Twenty: I put the general indexes, including:

1 index of Koranic verses.

2 index hadith.

3 index notice.

4 Index Information.

5 catalogue of sources and references.

6 Index Topics investigation.

Ask God names Hasani and his senior, to help us in favour of words and deeds, and that immunity from slippage, and that makes this act of pure point-Karim, said that the Crown and that it is capable.

The blessings of God and peace upon our Prophet Muhammad, his family and companions.
