Abstract

The study discussed some direction about the written of prophetic behaviour in Islamic East during the sixth century. There are a lot of efforts for the precept scientists from a point and the companies scientists from another point.

As "RAFDA" and "SOFAYA" and speaker people every direction has a special curriculum to teach the prophetic behaviour and show it's events .

The temple of this study classified to introduction, six parts and conclusion . The first part consist of three matters: -

First :- it has the frame of time and place .

Seconed : - Teach civilized conditions in the east of Islam during the sixth century flight .

Third :- it has the written of prophetic behaviour until the sixth century flight in the first part it show a part from the writers of the behaviour's life in the sixth century .

The second part the study show the squares of the auther in the prophetic behaviour .

The third part specialized for showing the curriculum of the precept scientists in the prophetic behaviour .

Directly it followed in the fourth part with showing the best characterization for the written of the prophetic behaviour in the companies .

In the fifth parts the study has the best sources which depend on it writers of the prophetic behaviour in the east .

The sixth parts specialized in efforts evaluation of the scientists in the east in the written of the prophetic behaviour .

The conclusion of the study showed the important results which arrived to it in the study of this matter and these are the important of them: -

The written of the behaviour scientists was the best than others because it's necessity with curriculum based on the novel about the justic men it also care of the knowledge of the prophetic behaviour and it also care of the behaviour events and pure it .

The study also revealed the careless of the companies scientists with the of the companies scientists with the justic of men and know the correct from the worst from the novels .

- The weakness of the historical origin and it's careless with the novel
fetter from these recommends which revealed by this study . it is
necessary to take from the modern inventions in the prophetic
behaviour study and all novels and freeing the investigates which
joined with it .
